★ INFO

Whilst our main ambition is to set up a great event-weekend for all mustang drivers & friends. The organisation of such an event requires funding. The prices outlined in our flyer are calculated in such a way that we can ensure the event doesn't result in a financial loss for the organisation at the end.

★ LOCATION

We will host our event at the airstrip next to Pullman City. The surface is a large, even grass field. We'll equip the location with Toilets etc. to ensure visitors can spend their entire day at the premises.

At our meeting area we only allow 6th Generation Mustangs (Type S550, 2015-onwards) to park. Additionally we will have 3 more areas: One of mustangs of previous generations, one for other US cars and a third for mobile homes / campers. Any further vehicles should park at the regular visitor parking at Pullman City.
